Rob Georg Releases New Single "Sunsets At The Ranch"

July 19, 2019 | Noah Penza

Rob Georg has released a new single entitled *Sunsets At The Ranch*.

In the past, we reviewed Rob Georg's single *Ghost*, and we thoroughly enjoyed that track. This track is even better again. The vocals are the true highlight of this track and really engages the listener on a whole another emotional level. The acoustic guitar on this track accompnys the country sound and sparks a sense of uniqueness. This is a highly reccomended track and you can listen here:
